Sir:

I, Glenna Hendricks, the undersigned, prepared and prosecuted the U.S. Patent Application 09/995,804 which has issued as U.S. Patent 6,743,893. I declare that the sequences in that prior application are the same as those in U.S. Patent Application 10/806,477.

I further declare that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 101 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

Glenna Hendricks, Reg. No. 32,535
